THURSDAY, OCTOBER 27, 1870.

WILD geese and ducks are making their appearance in market, in large numbers, and the restaurant windows present a tempting display of plump game. Sportsmen are

having fine times.

WE received yesterday one of the largest sized Taylor steam presses for the mammoth WEEKLY TIMES, which will be put in operation as soon as our new steam engine is in

S. S. CASWELL, Esq., of Junction City, first considered dangerous.

THE attention of teachers is called to the advertisement in another column, of an examination to be held at the Western Business College, corner of Cherokee and Fifth streets, on the 29th instant.

A lady in Leavenworth has gone crazy by reading the local pages of the Leavenworth papers.—Kansas City Journal.

Yes. She read an announcement that her son had broken his neck trying to climb one of your sidewalks, without spurs on.

WE learn that the Census Bureau, at Washington, is about to order investigation of the Kansas City census, attention having been attracted to it by the disproportionate number of votes to the number of inhabitants. The Convention. estimate in the West is about one voter to ev. ery seven inhabitants: and the returns of that town would make it only one to thirteen.

WE learn from the Lawrence Tribune, of the death of Joel Thomas' race-horse, Van-ted, for the year 1871, by Primary Elections guard. He departed this life on Friday to be held in each Precinct; therefore morning, the cause being spasmodic or cramp colic. Vauguard was a thoroughbred, and one of the fastest and best ever owned in the West, and just in his prime, being only nine usual places of holding Elections in each years old. He was valued at \$1,500, and the Precinct. loss is quite a severe one.

Cloud, and Dr. J. Wood, of Doniphan, for And Angels the chorus in triumph repeat, While demons shall how at their leader's defeat. State Senators. They were instructed almost unanimously against Sidney Clarke.

The Second Representative District nominates that sound veteran Republican, the Hon Abraham Bennett. He will be elected two to one. The Fifth District nominates tions made from SEA Moss FARINE that it Kennedy, anti-Clarke, over Clarke Lowe—is invaluable for invalids and all those rean unlooked-for victory.

THE press of the country is unanimous in brazen fraud of the kind ever perpetrated. The Lawrence Tribune says:

We understand that the frauds in the has never been equalled. Pimples on the Kansas City census are to be investigated, face, Eruptions, Blotches and all Scrofulous and that the returns will probably be thrown diseases are cured by this wonderful and out. It would be well for the investigating most valuable medicine. Sold by druggists. Louis, who stated, in our office, yesterday, Pierce's private Government Revenue Stamp that a census taker in Kansas City insisted is on each bottle. on counting him, along with two other nonresidents who were in company with him, transiently in that city, a few days since.

Our Coal.

This mine is now in succeesful operation, and the company is taking out about two thousand bushels every day, which amount will be increased as the cold weather creates a greater demand for good fuel. The shaft is about seven hundred feet deep. Arrange-ments will soon be completed for shipping, which will greatly facilitate delivery and which will greatly facilitate delivery and obviate the present necessity for carting a mile in wagons to the railroad depot. The mouth of the shaft is within three hundred feet of the Missouri river, and the railroad western kansas. The southern and Western Kansas. feet of the Missouri river, and the railroad runs between them. All that is necessary to complete the arrangements for the successful loading of cars at the mine, is a side track, loading of cars at the mine, is a side track, which is being put in as rapidly as possible, and will be completed in a few days. This is probably as good fuel coal as the Fort Scott, but unfortunately, although nearer Lawrence, it cannot be delivered here as low lawrence, it cannot be delivered here. received two car-loads of the Leavenworth coal on Saturday morning, all of which was the best article of Bitters now manufactured distributed among his customers throughout in the United States or elsewhere. the city during the day. Two more cars We have used them for three years, and arrived yesterday, and now the coal will be would not be without them for almost any

Fort Scott Coal Shaft.

To the Editors of The Times: writer made to it, about ten days since.

The bed from which the article called Fort The Best and Original Tonic of Iron. Scott coal is taken, is what is called a "surface" vein. It lies from five to eight feet deep, and varies in thickness from twelve to deep, and varies in thickness from twelve to fifteen inches. In order to obtain it, the the Calisava gives a natural, healthful tone whole of the "covering" must be removed.

This consists of soil, limestone and slate, interspersed with boulders of iron. It is a work of great labor, and during all kinds of inclement weather, it is necessarily suspended. Hence the supply of coal from this

During a boring made a mile and a half

Spread the Truth.

Some medical men insist that it is undignified dvertise a remedy, however valuable it may be. ticle which the world needs should be hill in a corer—that benefits and blessings may be too widely liffused-that the means of protecting and restoring health should be a close monopoly, and not ac ssible to all. The argument is bad. It is worse than that; it is inhuman. Suppose Hostetter's Stomach Bitters-an absolute specific for dyspepsia, liousness and nervous debility-had never beer known beyond the repertoire of the faculty, who rould have been the consequence? Instead of curng and invigorating millions, the good effects of he preparation would have been confined to a comarative few. There is the highest authority ying that light should not be hid under a bushel; that whatever is excellent should be placed as a city on a hill, where all men can take cognizance of it. It is upon this princible that the Bitters have been than any other preparation contains newspaper of any prominence in the western hem isphere, and that the spontaneous testimonials in its favor have been translated into all written languages. Thousands enjoy perfect health to-day who would be languishing on beds of sickness if the newspapers had not spread the truth with regard to this unequaled invigorant and corrective far and wide. Suppose profit has been reaped from this publicity. Is that any argument against it? If the public health has been protected; if lives have been aved: if the Goble have been strengthened and the sick restored, great good has been accomplished

rected their fair reward? LEGAL NOTICES. Publication Notice.

Tack, Defendants.

You, THE ABOVE NAMED JOHN H. DAY, George W. Ward, Jane Patterson, Mildred Patterson and David S. Burnett, are hereby notified that you, together with the other defendants above named, have been sued by the above named plaintiff, Edmund A. W. Hunter, in the above mentioned Court and that said plaintiff has in said Court, filed his amended petition against you, and the other defendants above named in the above entitled action, and that you must answer said position on filed his amended petition against you, and the other defendants above named in the above entitled action, and that you must answer said petition on or before the 9th day of December, A. D. 1870, or said petition will be taken as true, and judgment will be rendered accordingly of the following nature, towit: A judgment in favor of said plaintiff against said defendant, John II. Day, for so much of the sum of five thousand, nine hundred and eighty dollars with interest thereon at the rate of thirty per cent. per annum from the 8th day of May, A. D. 1860, as shall not exceed the sum of eight thousand six hundred and eleven 20-100 dellars (88, 611 20), with interest thereon at the rate of ten per cent per annum from the 25th day of October, A. D. 1861, that is such judgment will be rendered for said sum of eight thousand, six hundred and eleven 20-100 dellars, (88, 611 20) with interest thereon at the rate last aforesaid, from said 25th day of October, A, D. 1861, and for costs of suit. And that the following described fracts of land situate lying and being in the County of Leavenworth, and State of Kansas, namely: Lots fourteen (14), fiftgen (15), eighteen (18), nineteen (19), thirty-eight (38), thirty-eine (39), forty (40), forty-one (41), and forty-lwo (42), the base hundred and one (101) lots severt namely: Lots fourteen (14), fifteen (15), eighteen (18), nineteen (19), thirty-eight (28), thirty-aine (29), forty (40), forty-one (41), and forty-fwe (42), in block ohe hundred and one (101); lots sevent (7), eight (8), sixteen (16), seventeen (17), and twenty-seven (27), in block one hundred and two (102); lots four (4), five (5), and six (6), in block one hundred and three (193); lot seven (7), in block one hundred and twen (197), all in day & McAulay's addition to the city of Leavenworth; lots seven (7), and eight (8), in block numbered seventy (70), of the original plat of the city of Leavenworth; lots thirty (30), thirty-one (31), and thirty-two (32), in block sixty-seven (67), of the original plat of the city of Leavenworth, be sold without redemption by the Sheriff of said county for the satisfaction of such judgment, and such amount as the Court shall find due from said John H. Bay, to said plaintiff, on or because of the note, mortgage deed and de-ree hereinafter mentioned and the costs of said action and that the payment of the costs of said action and that the amount to be found due said plaintiff on said note, mortgage deed and de-ree hereinafter mentioned and the costs of said action and that the samount from the time of the rendition of judgment at the rate of ten per cent per annum, and that the several defendants in said action and every one of them, including yourselves and every person claiming by, from, through or under any of said defendants in said action and severy one of at the rate of ten per centre and every one of several defendants in said action and every one of them, including yourselves and every person claiming by, from, through or under any of said defendants be forever barred and foreclosed of and from all and any right and equally of redemption and other right whatever of, on, in or to said tracts of land and every of them from and after such sale thereof. And that you and all of said defendants and all persons claiming from or under you or them or any them, he ordered, required and adjudge to the control of th persons claiming from or under you or them or any of you or them, be ordered, required and adjudges to deliver possession of said tracts of land to the grantee or grantees in every deed made in pursu-

grantee or grantees in every deed made in pursuance of such sale, so soon as demand therefor shall be made, unless the defendants in said action or some one or more of them shall pay or cause to be paid to said plaintiff within some short time to be fixed by the Court, the amount of such judgment, that is such sum of money as the Court shall find in this action to be due to said plaintiff from said John H. Day on and because of the matters hereinafter mentioned, with interest thereon at the rate of ten per cent per annum from the time of the rendition of judgment in said action.

Which last mentioned amount of money is by said plaintiff claimed to be due him from said John H, Day, and he, said plaintiff, claims to have a lien on the above described tracts of land therefor, and a right to have the same sold for the satisfaction thereof on, under and because of the matters and things hereinafter stated, to-wit:

On the 5th day of November, 1859, at Leavenand a right to have the same sold for the satisfaction thereof on, under and because of the matters and things bereinafter stated, to-wit:

On the 5th day of November, 1859, at Leavenworth City, said John H. Day made his promissory note in writing of that date, and then delivered the same to said plaintiff and thereby for value received promised to pay at the banking house of Scott, Kerr & Co., six months after the date thereof, to the order of said plaintiff, five thousand, nine hundred and eighty dollars (\$5,980), with interest thereon at the rate of thirty per cent per annum after the maturity thereof until paid.

And on the 8th day of November, 1859, the said John H. Day, for the purpose and in order to secure the payment of the aforesaid promissory note and sum of money and interest therein specified, made, executed and delivered to said plaintiff his certain mortgage deed of that date and thereby conveyed to said plaintiff, his heirs and assigns, the above described tracts of land with other lands,

And on the 25th day of October, 1861, at the

And on the 25th day of October, 1861, at the October Term, A. D. 1861, of the District Court of the United States for the District of Kansas, in a the United States for the District of Kansas, in a certain action then pending therein in equity, wherein said Edmund A. W. Hunter was plaintiff and said John H. Day and others were defendants, on a bill filed and prosecuted by said plaintiff for the foreclosure of said mortgage deed, among other things the said Court did then find that there was then due to said plaintiff from said John H. Day on said note the sam of eight thousand, six hundred and eleven 20-100 dollars (\$8,611 20), and that said plaintiff then had a lien by mortgage for the payment of the same on the several tracts of land herein above described. ment of the same on the several tracts of land herein above described.

And said court in said action then among other things ordered, adjudged and decreed that all and singular the neveral tracts of land above described to raise the amount so found due from said John H. Day to said plaintiff, be sold at public auction by and under the direction of the United States Marshal, and that said Marshal should pay to said plaintiff, or his solicitor, out of the proceeds of such sale the costs in that suit to be taxed, and also the amount so foend due as aforesaid, together with legal interest thereon from the date of said decree, which said decree still remains in full force wholly unsatisfied.

unsatisfied.

And you are also hereby further notified that the common stracked in this the above described have been attached in this the above entitled action as the property of said John H. Day, under and by virtue and action and directed to the Sheriff of said county to execute, who made such attachment by virtue thereof.

Dated this 25th day of October, 1870.

CLOUGH & WHEAT, attorneys for Plaintiff.

Have you for years been suffering with Ague and Fever or Chills and Fever, which so rack the sys tem? If so, go at once and get a bottle of Edward Wilder's Chill Tonic, as it is boldly asserted that, in its line, and for the diseases for which it is reonmended, there is no medicine known that wil t all compare with it.

. Quotidian, Tertian, Quartian, and Twentyme day Chills are obliged to yield to it. It is the 'eriodical Headache, Intermittent Neuralgia, plenalgia or Pain in the Side, and of every variety and medification of Intermittent and Bilious Fever Nor does this medicine resemble any other of the

housand compounds advertised for these affections eties of the Cinchona bark, and is in itself a phar maceutical triumph, a therapeutical wonder. It at ever these diseases exist this medicine should always be kept in every household, as a cure is al-

Pills are a vegetable tonic and invigorant of uncom on excellence. For constipution and biliousn her are a certain remedy. By their action they oth revive and refresh the overloaded system. Nor sthis all. There is nothing in their composition which is not vegetable. They are potent for good mong the strong and robust. They are the one perient or laxative needed by the delicate and weakly. The liver, the great secretive gland of the ody, determines both the purity of the blood and herbs, gums, roots, and barks, every one of which celebrated as an antibilious remedy, and which, onstitute the most genial and perfectly satisfactory and persuade the liver. They tone the stomach rritate—they restore. In all the Phlegmasia Rheumatism, Erysipelas, Vertigo, Dizziness, Infammation of the Brain, Liver, Kidneys, and Bladder, and in every other affection in which a Purgative is desirable, these pills are beyond all peradventure a true pasacea. Hence use none walk half a mile. Two bottles of Tonic effected a perfect cure.

JAMES M. WOOD. are invirtably beneficial.

Thousands of children die annually of worms. sideratum in medicine. Edward Wilder's Mother' Worm Syrup is the thing needed to secure childre rainst the insidious evils of the many worms which all other medicines for expelling worms. Mothers
